**Dear Ms. Bahareh Tavana,**

Thank you for your interest in the 16th National Sports Medicine Congress to be held on April 2-5, 2017 at Gloria Sports Arena/Antalya.

The abstract of your paper titled "Comparison of lateral abdominal muscle thickness in young male soccer players with and without low back pain" was electronically evaluated by our scientific committee and has been accepted as E-poster Presentation No. PO-018. Electronic poster presentations may be viewed on the Plasma TVs in the designated e-poster area in the Congress Center. A separate printed poster will not be necessary and posters will not be hung up.

The presentations need to be prepared as set out below and submitted via the online paper submission system by February 20, 2017. The same passwords you were given when submitting your paper will be used when submitting your poster.

You may follow the regularly updated symposium program on our website.

The Congress will be stronger and will reach its scientific goal because of your participation.

Sincerely,  
Congress Organization Board

**Best regards,**

Dr. Metin Ergün
