Hi

On behalf of the WFOT Programme Committee, I am happy to advise that your abstract 0091 Practicing Occupational Justice: The Capabilities Approach has been accepted for a **LONG ORAL**.

Long oral presentations are 15 minutes in duration (12 minutes to present and 3 minutes for Questions and Answers). The long oral sessions will run concurrently with the rest of the programme in rooms provided with audio visual equipment for PowerPoint slides. Please note that timing will be strictly adhered to.

You will be scheduled in **SE 32** and you will see the change on the website in a few days time at: <http://www.wfotcongress.org/congress-programme.php>

I have noticed that you have not registered to date. If you accept this offer, you will need to be registered to attend and present at the congress.

Please advise if this is suitable for you.

Regards

Dani
