

Total number of credits: 130

General credits: 22

Basic Science: 24

Specialized credits: 62

Clinical practicum: 22

1. Physics of the Sound (2 credits)

2. Public Health (2 credits)

3. General Psychology (2 credits)

4. General Anatomy with special emphasis on Head and Neck (3 credits)

5. Principles of Rehabilitation (2 credits)

6. General Histology and Basic Pathology (2 credits)

7. Anatomy and Physiology of Brain and Nervous System (2 credits)

8. General Physiology (2 credits)

9. Biochemistry (1 credit)

10. Radiology of Head and Neck (1 credit)

11. Disorders of Brain and Nervous System (2 credits)

12. General Genetics (1 credit)

13. Pediatric Diseases (2 credits)

14. Anatomy and Physiology of Hearing and Balance (3 credits)

15. Normal Development of Speech and Language (2 credits)

16. Principles of Audiology (2 credits)

17. Acoustics and Psychoacoustics (2 credits)

18. Basic Hearing Evaluation (3 credits)

19. Communication Disorders (2 credits)

20. Psychology and Counseling of patients with hearing loss (2 credits)

21. Fundamentals of Linguistics and Acoustic Phonetics (3 credits)

22. **Speech and Language Disorders** (2 credits)
23. **Site of Lesion Testing** (3 credits)
24. **Pharmacology in Audiology** (1 credit)
25. **Auditory Physiological Tests: Part I** (3 credits)
26. **Equipment of Hearing and Principles of Calibration** (3 credits)
27. **Diseases of Ear, Nose, Throat and Treatment Methods** (3 credits)
28. **Principles of Rehabilitative Auditory** (3 credits)
29. **Professional English Language** (3 credits)
30. **Language Therapy to hearing- impaired patients** (2 credits)
31. **Evaluation, Fitting and Setting of Hearing Aids and Assistive Listening Devices** (4 credits)
32. **Ear Molding** (1 credit)
33. **Central Auditory System Tests** (2 credits)
34. **Industrial Audiology** (2 credits)
35. **Auditory Physiological Tests: Part II** (2 credits)
36. **Pediatric Audiology** (2 credits)
37. **Auditory Training** (2 credits)
38. **Clinical Audiology** (2 credits)
39. **Management in Audiology** (1 credit)
40. **Seminar in Audiology** (2 credits)
41. **Clinical Practicum I (Adult Auditory Evaluation I)** (1 credit)
42. **Management in Audiology** (1 credit)
43. **Seminar in Audiology** (2 credits)
44. **Clinical Practicum I (Adult Auditory Evaluation I)** (1 credit)
45. **Clinical Practicum II (Adult Auditory Evaluation II)** (1 credit)
46. **Clinical Practicum III (Adult Auditory Evaluation III)** (2 credits)
47. **Clinical Practicum IV (in ENT Clinic)** (1 credit)

48. **Clinical Practicum VI (Adult Auditory Evaluation IV)** (2 credits)
49. **Clinical Practicum VII (Pediatric Auditory Evaluation I)** (1 credit)
50. **Clinical Practicum IX (Pediatrics Auditory Evaluation II)** (1 credit)
51. **Clinical Practicum X (Neonatal and Children Hearing Screening)** (1 credit)
52. **Clinical Practicum XI (Central Auditory System and Tinnitus Evaluation)** (1 credit)
53. **Clinical Practicum XII (Adult Auditory Evaluation V)** (2 credits)
54. **Clinical Practicum XIII (Auditory Training I)** (1 credit)
55. **Clinical Practicum XIV (ERA, ENG/ VNG)** (1 credit)
56. **Clinical Practicum XV (Evaluation, Fitting and Setting of Hearing Aids and Assistive Listening Devices III)** (1 credit)
57. **Clinical Practicum XVI (Pediatric Auditory Evaluation III)** (1 credit)
58. **Clinical Practicum XVII (Auditory Training II)** (1 credit)
59. **Clinical Practicum XVIII (Adult Auditory Evaluation VI)** (2 credits)
