Dear Mrs. Bazrafkan,

Thank you once again for having submitted an abstract for our 33rd Annual Meeting, which will be held in Geneva, Switzerland, from 2 to 5 July 2017. Please note that your abstract entitled "Inflammasome complex gene expression and its relationship with infertility of male rats after spinal cord injury" was evaluated anonymously by 4 international referees. As a result, your abstract has been accepted for poster presentation.

Please note that all posters will be presented in electronic format (e-posters) and participants will be able to view posters on a number of display screens. Advance electronic poster submission is mandatory. Precise instructions as to how you should submit your poster in electronic format will be sent to you in due course.

If for any reason you are unable to attend the meeting, please arrange for one of the co-authors of your abstract to be present during the poster viewing sessions. Please notify the ESHRE Central Office as early as possible of such a replacement. Presenters who fail to present their poster without due written notice within 7 days of this confirmation, will be sanctioned.

Changes /corrections in the list of authors, the presenting author etc. should be sent to the ESHRE Central Office within 7 days of this confirmation. Updates in the abstract book and the final programme cannot be guaranteed for changes received after those 7 days.

Registration

We would be grateful if you would arrange your registration to the meeting, if you have not already done so. Please note that the deadline for low fee registrations is 30 April 2017. Online registration is available via our website at the following URL <https://www.eshre2017.eu/Registrations.aspx>. Online booking of accommodation is also available on our website at the following URL: <https://www.eshre2017.eu/Plan-your-trip/Hotel-Accommodation.aspx>.

Your user name is :Bazrafkan mahshid
