### Microscopy Conference 2017 • August 21–25 2017 • Lausanne/Switzerland

Dear Dr Elikae

On behalf of the Scientific Program Committee we are happy to inform you - as presenting author - that your abstract with the submission ID 480 and title "*Evaluation of p27 gene knockout mutant of Leishmania major (MRHO/IR/75/ER) with Light and Electron Microscopy*" has been accepted for a poster presentation at the Microscopy Conference 2017 in Lausanne.

Please find below the excerpt of the conference program showing date and time of your presentation:

#### Poster Presentations • Wednesday, 23 August 2017

14:00–16:00      Poster Presentations LS 3

Foyer

Chairs

A. Draeger (Bern/Switzerland), M. Laue (Berlin/Germany)

LS3.P012

*Evaluation of p27 gene knockout mutant of Leishmania major (MRHO/IR/75/ER) with light and electron microscopy*

S. Elikae, M. Mohebal, H. Keshavarz, B. Akhoundi, S. Mohtasebi

H. Eslami (Tehran/Islamic Republic of Iran)

We are looking forward to your participation in the upcoming conference and to welcoming you to Lausanne.

Yours sincerely,

Kristin Selle  
Project Assistant
