Abstract No: A-923-0011-00120

Dear Parichehr Pasbakhsh,

On behalf of the Programme Committee of the Basel Life - Innovation Forums, we are pleased to inform you that your abstract entitled:

Enhancement of homing in transplanted bone marrow-derived mesenchymal stem cells under pretreatment with melatonin in a rat model of liver fibrosis

P. Pasbakhsh, I. Ragerdi Kashani, K. Mortezaee

Anatomy, Tehran University of Medical Sciences/Medical School, Tehran, Islamic Republic of Iran

has been accepted for **Poster presentation** at the Basel Life - Innovation Forums which will take place in Basel, 10 to 13 September 2017. Please check that the title and authors' names have been correctly written and advise us immediately should there be any discrepancies.

You will have the opportunity to present your poster during **Poster Session** as follows:

Session Title: Innovation Forums: Poster Session and networking

Session Date: Tuesday, 12 September 2017

Presenting Time: 16.30 - 17.30

During this time you or a co-author will be required to stand by your poster. For further information regarding poster preparation and presentation please download the [Poster instructions](#).

Please note that the presenting author must register by 26 July 2017. If you have not yet registered for the meeting, please do so now online on the congress website (choose the button "Registration") <https://www.basellife.org/innovationforums>. Please choose the appropriate category: "Innovation Forum Delegate or Innovation Forum Student".

If you are unable to attend, please advise us immediately of your withdrawal.

The scientific programme is now available on the congress website: <https://www.basellife.org/innovationforums> (Programme).

We look forward to welcoming you in Basel.

Yours sincerely

Congress Secretariat
