

11th World Stroke Congress, Montreal, October 17-20, 2018

Dear Associate Prof Mojdeh Ghabaee,

Thank you for submitting your abstract to WSC 2018 in Montreal. On behalf of the Executive Committee we are pleased to inform you that it has been accepted **for e-poster viewing**.

Abstract no: WSC18-0445

Abstract title: The additive effect of antioxidant therapy to Aspirin for prevention of thrombosis in normal population by assay of Aspirin Resistance and Level of free Radicals.

Guidelines for the preparation and submission of e-posters will be provided in due course.

WSC no longer uses traditional poster boards. Instead, posters are made available to delegates through numerous large electronic screens sited in the e-poster area in the Congress Centre. Any e-poster can be viewed on any screen at any time. Accordingly, you will not need to bring a poster with you, nor to print one in Montreal, but it will be essential for you to prepare your e-poster file in good time and upload it before the Congress starts.

CONFIRMATION OF ATTENDANCE AND REGISTRATION FOR THE CONGRESS

E-posters presentations of **paid participants only**, will be included in the program and the Congress publications (International Journal of Stroke). If you have not yet completed your registration payment, **please ensure your registration is paid by Wednesday, June 6th 2018, to guarantee your presentation will be included**. Please [click here](#) to register.

Please also make sure to notify us immediately if there is any change in presenting author or if you are not the presenting author of the here specified abstract.

HOTEL ACCOMMODATION

We encourage you to book your accommodation promptly, as hotels are quickly filling up. Please visit our website for more information on available hotels for the Congress:
