ESR President

**Dr. Leila Aghaghazvini**  
Shariati Hospital  
of radiology  
Mirdamad  
1548835113 Tehran  
Iran, Islamic Republic of

Personal ID: 220210  
Date of print: March 31, 2018

**Note**

It is the responsibility of the individual to correct any errors printed on this report by contacting the ESR Office by mail, fax, or email. This confirmation of attendance is available only to the designated individual and will not be supplied to accrediting agencies or other organisations/health authorities. It can be downloaded and printed out via the MyUserArea at [www.myESR.org/myuserarea](http://www.myESR.org/myuserarea).

**CONTINUING MEDICAL EDUCATION (CME) ACCREDITATION**

The event has been accredited by the UEMS-EACCME and it is possible to claim a maximum of 33 CME credits for attendance of scientific sessions at the ECR. Please note that this number may differ from the maximum number of credits your national jurisdiction approves for your continuing medical education.

The Österreichische Ärztekammer (Austrian Medical Chamber) has granted a maximum of 40 DFP (Diplom-Fortbildungs-Programm der Österreichischen Akademie der Ärzte) credits for the ECR 2018.

**USA and Canada**

Following the agreement on the mutual recognition of credits between the AMA (American Medical Association), the RCPSC (Royal College of Physicians and Surgeons in Canada) and the UEMS-EACCME, American and Canadian physicians attending a UEMS-EACCME accredited event in Europe will have their credits converted to AMA PRA Category 1 in the US and MOC Section 1 credits in Canada.

**Worldwide**

CME credits claimed at the ECR are accepted by the majority of national CME authorities worldwide, which have mandatory CME for their physicians. Please consult your national jurisdiction for the maximum number of CME credits they will approve following your attendance at ECR 2018.
