To whom it may concern.

Many apologies but I don't speak Spanish as I am the organizer of an International Conference that will be held in Barcelona, but I live in Italy.

I am writing a special request for Tohid Seif Barghi, that will participate to the Isokinetic Conference in Barcelona.

He is part of the official Scientific Programme and she cannot miss this event.

For this reason I have attached:

- The letter of invitation (English and Spanish)
- The screenshot of the Website with her session (<http://www.footballmedicinesstrategies.com/en/programme/500/482/>)
- The abstract of his work that is published on the abstract book of our Conference
- His personal conference ticket

Waiting for your kind reply.

Regards,
