Greetings from Scientific Federation!

We cordially invite you to attend the annual “**World Conference on Analytical & Bioanalytical Chemistry (WCABC-2018)**” to be held during July 23-24, 2018 at Barcelona, Spain. We welcome you to join us and share your knowledge and views on the theme “**Understanding the Importance and Impacts of Analytical & Bioanalytical Chemistry**”. We would like to inform you that your abstract has been accepted by the organizing committee. In this regard, on behalf of the Organizing Committee, we are welcoming you to join us and give an **Poster Presentation on “Fabrication and evaluation of the gas sensor based on polyvinyl alcohol/polyaniline nanocomposite for detection of nitroaromatic vapor”**.

The World Conference on Analytical & Bioanalytical Chemistry Conference is being conducted at Barcelona, Spain. WCABC is a scientific congregation which brings together researchers, scientists, key decision makers, and industry professionals in the same physical space for a brief yet intense period of discussion, collaboration, and addressing related problems in research.

We believe this conference will be a highly rewarding educational and networking experience for all. Additionally, we encourage you to take this opportunity to explore the many facts of Barcelona and to experience the unique Spain culture.

We look forward to seeing you in Barcelona , Spain.
