ECI 2018 - INFORMATION ON ABSTRACT ACCEPTANCE – ORAL PRESENTATION

Dear colleague,

On behalf of the Scientific Program Committee of the **5th European Congress of Immunology**, September 2 – 5, 2018 in Amsterdam, the Netherlands we are very pleased to inform you that the abstract entitled

“Malat-1 LncRNA regulates inflammation and T cell differentiation in an animal model of multiple sclerosis”

(Control No. 2018-A-1830-ECI)

has been **ACCEPTED** for an **Oral Presentation** in the following **Workshop**: Neuroinflammatory disorders

Based on reviewing and grading by multiple, independent and international reviewers, your abstract ranked among the highest. We are looking forward to hearing the presentation of your data.

Please note the following important points:

Detailed information on the **date, time and room** of your presentation will follow within the upcoming weeks.

If you are **not able to present** your talk, you are kindly requested to **contact the organizing office** as soon as possible (eci2018@medacad.org) and to notify them of any change of presenter or withdrawal.

The **website** will shortly be updated with **all details on your presentation format**.

Due to EACCME regulations, **authors are requested to disclose possible conflicts of interest on the first slide**.

Please remember that the deadline to benefit from the **reduced registration fee is June 29, 2018**.

All information about registration including deadlines and registration fees can be found here: [ECI 2018 REGISTRATION](#)

In September, Amsterdam is always bustling with congress and exhibition attendees and visitors for business and pleasure.

Don't wait too long to make your hotel booking for the best picks in terms of price, comfort and location – be it in the heart of the historic city centre with great public access or within walking distance of the venue – the choice is all yours.

To book a hotel please visit our website here: [ECI 2018 HOTEL BOOKING](#)

We look forward to welcoming you in Amsterdam in September!

With kind regards,

Marieke van Ham

Dear FM,

That is wonderful news! Being accepted for oral presentation indicates the high quality of your work. Hopefully by the time that you go for ECI we will have your paper accepted for publication in a good journal.

By the way, Dr Power sent me another version of Neat1/Malat1 PCR data on human autopsy tissues; Malat1 does not show any changes, but Neat1 has some changes (a degree on induction in MS brains, like what they had seen in RNA Seq data). I guess we can include that in your Neat1 paper; after we submit your Malat1 paper.

All the best,

FN

Dear Sir/ Madam

Thank you so much for your email. It is such a good news to hear my abstract has accepted as oral presentation. I eagerly look forward to attend the congress. Actually I made a contact with VFS Global office (an office responsible for short stay visa of Netherlands in Tehran) to ask for a visa appointment but unfortunately I was informed that there isn't any time until first week of September that actually means missing the congress. I would like to know whether it is possible that congress organizers kindly send an email to the VFS Global office or Netherland embassy in Tehran to facilitate the visa procedure and fix an appointment for me?

It is very important for me to attend the congress and give this talk so I would be grateful if you help me in this issue.

Looking forward to hearing from you

Best Regards

Farimah

Dear Farimah,

thank you for your email and the information.

Unfortunately, we are not in the position to get in contact with any embassies on behalf of participants. We can provide you if documents if required, however you need to be in contact with the visa issuing authorities.

In case you require any specific documents please let us know.

Best regards,

Sarah Pirklbauer

Dear Sarah,
Thanks for your prompt reply. I understand the situation. I try to contact the embassy for another time and let you know if they asked me to provide them with any documents.

Best Regards

Farimah
