Date: Thursday, April 12, 2018, 11:54:15 PM GMT+4:30

Dear Prof Akhondzadeh

Royal College of Psychiatrists International Congress

24-27 June 2018, Birmingham

www.rcpsych.ac.uk/congress

We are pleased to inform you that your abstract entitled Dose Oral administration of ketamine accelerate response to treatment in major depressive disorder? Results of a double-blind controlled trial has been accepted as a Poster presentation at this year's Congress. All Posters will be credited in the printed programme and certificates of presentation will be emailed to the submitting author 's email after the event.

Posters have been selected by the committee and will be grouped into categories. Please note that posters will change daily and will need to be removed after the specified date and time.

Date of presentation: Sunday 24 June 2018

Time able to display your poster: Registration is from 11:00-13:00 until the refreshment break ending at 16:05.

We would be grateful if you would notify all author/s in your group of this decision by forwarding this email to them if necessary.

Next Steps

In order to confirm acceptance and display of your Poster you must complete the following steps:
