Subject: ISMRM 2018 Annual Meeting Notification for Abstract Tracking Number 935

To: <hamid.saligheh@gmail.com>

Re: "True-Diffusion Coefficient Retracted from Intra-Voxel Incoherent Motion (IVIM) Can Stratify Biopsy-Approved Infiltrative Edema from Normal Tissue and Active Tumor in Diffuse Brain Gliomas"

Dear Colleague:

Thank you for submitting an abstract to be considered for presentation at the scientific sessions of the Joint Annual Meeting ISMRM-ESMRMB in Paris, France.

I am pleased to inform you that your abstract (title above), has been selected for presentation as a Multimedia Electronic Poster at the Scientific Meeting.

Formal presentations of Multimedia E-posters at computers will be one hour in length. Your multimedia E-poster is tentatively assigned to be presented during the following session:

Session: Brain Tumours

Day/Date: Wednesday, 20 June 2018

Session Time: 13:45

The tentative schedule has been on posted on the ISMRM website at <https://www.ismrm.org/18m/>. Note that the meeting will run from Saturday through Thursday, with the same broad format as the 2017 Annual Meeting. Program numbers will be assigned in March. When you arrive at the meeting, however, please verify the time of your session in the official program in case there have been last-minute changes.

Authors who submitted more than one abstract will receive a separate letter indicating the outcome for each submission.

Educational, Clinical, New Entrant, and E.K. Zavoisky Stipend Applicants should NOT register for the meeting until they have been notified of the status of their stipend application. Notifications of stipend awards will be sent out by 16 February 2018.

Authors must be available for discussion at their assigned computers. You will be informed of your program number before the meeting. In addition, your poster will be available for viewing at over 100 dedicated computers at all times the poster hall is open during the entire meeting. When you arrive at the meeting, please verify your program

number and computer assignment in the Program-at-a-Glance in case there have been late changes.

Multimedia E-Poster presentation guidelines will be available shortly at the meeting website. Be sure to monitor the website regularly for updates and changes.

Please note that while every effort has been made to honor authors' choices of traditional or e-poster formats, because of thematic or space considerations, some abstracts were not assigned the preferred format.

The meeting Proceedings will be published online only, with the full text of all accepted abstracts available to advance registrants on 1 June 2018. Submission of your work constituted a commitment by the author(s) to present if invited. Unexcused failure to present will jeopardize participation in future ISMRM programs.

For a list of all abstracts accepted for presentation at the Annual Meeting, please go to https://www.ismrm.org/18/accepted_abstracts.pdf.

The deadline for early registration is 12 April 2018, and the deadline for housing is 12 March 2018. Please visit <https://www.ismrm.org/18m/> for more information.

On behalf of the Annual Meeting Program Committee, I thank you in advance for your participation in this year's meeting. Our members and attendees look forward to learning about your work.

Best regards,

Karla Miller, Chair
Joint Annual Meeting ISMRM-ESMRMB
