

Dear **Prof. Mehdi Tehrani-Doost**,

With the *late poster* review now finalized, it is our pleasure to inform you the IACAPAP Program Committee has accepted your below-identified submission **for poster presentation** at the upcoming Congress:

Identification number: IACAP-1159

Abstract title: *Theory of mind ability and its relationship to executive functions in adolescents with bipolar disorder*

**To confirm your acceptance of the presentation at IACAPAP 2018, [you are kindly asked to process the registration of the presenting author before the late poster authors' registration deadline – Thursday, 31 May 2018.](#)**

**Proceed to register [through this link.](#)**

Please, kindly note the completion of your registration is mandatory. By doing it, you confirm you count with giving your presentation.

If, for any reason, you would like to cancel your presentation, kindly inform [the Congress Secretariat](#) as soon as possible.

**The IACAPAP 2018 Congress** will take place in Prague, the Czech Republic on 23-27 July 2018. More information about the Congress is available at the [official website](#).

A draft of **poster presenters' guidelines** is available at [the following link](#). However, more information will appear after the poster program publication expected during this week.

Should you need further assistance, please feel free to contact us at [abstracts@iacapap2018.org](mailto:abstracts@iacapap2018.org).

Kind regards,

Hana Ledvinková

IACAPAP 2018 Congress Secretariat
