 dear Dr. masoud, & Dr akbari,  
 I hope this finds you in best of health. We have loving memories of your participation at the International conf. at Jaipur. We are organising our annual conference at Baroda , near Bombay, in Dec., 2018. We would be glad if you all participate as a group and can have a symposium of one hour under the aegis of 'Iran ophthalmic society'. The registration would be complimentary. kindly let me know your views.

 Dear professor **Shukla**,  
 Thanks for your email and invitation, I would be happy again to take part in your meeting. Would you please send me the whole meeting program and the meeting website?  
 Thanks

 Thanks for your interest in SPOSI.  
 The program is under construction, but it would be nice if you could decide among your colleagues on what topic you all would like to speak;, we will adjust accordingly.
