

6th SBMS Summer School

Complex Cell Systems in Preclinical
and Clinical Research

Details:

Venue:

Hotel Carton Europe
Höhenweg 94
3800 Interlaken
Switzerland

Date:

May 03-04, 2018

Contact:

Willy Hofstetter
University of Bern
hofstetter@dbmr.unibe.ch

Rainer Egli
University Hospital Bern
rainer.egli@insel.ch

Program:

Sven Rottenberg (University of Bern)
**Functional pathology: new opportunities due to
CRISPR/Cas9 and 3D organoid cultures**

Marianne Geiser (University of Bern)
**Respiratory effects of ambient aerosols and
engineered nanomaterials**

Janet Rubin (University of North Carolina, Chapel Hill)
**Actin strings: tuning the signals that determine
mesenchymal stem cell fate**

Lee Ann Laurent-Applegate (CHUV, Lausanne)
Precursor cells: from bench to bedside

CONFIRMATION OF ATTENDANCE

Participant Zohreh Arabpour

has attended the 6th SBMS Summer School on May 03-04, 2018 in Interlaken (credit 0.5d)

Interlaken May 04, 2018

PD Dr. Alessandra Bergadano
Head CAF, University of Bern

Prof. Willy Hofstetter
DBMR, University of Bern
