Dear Dr Tabatabaei,

due to my mistake yesterday I have sent you a wrong communication.

please cancel yesterday's mail and consider only this one .

Your collocation in the Trieste International Meeting is as follows.

We inform you that your presentation "*Project for improving standard of care and human rights in psychiatric hospital in Iran.*" has been accepted in the parallel session "**Strengthening International Cooperation for System Reforms - Europe and Beyond**" on **September 25th hrs. 14.00-16.45**

Due to the high number of presentations in this session and to improve a final general discussion we kindly ask all the presenters to provide a short speech ( in english) - ( max 10 min)
