Sixth MENACTRIMS Congress: ePoster A-1021 4

Yahoo/Sent ☆

Science at Medgress <science@medgress.com>
To: Sharareh Eskandarieh

☰ Mon, Nov 22 at 9:54 AM ☆

Dear Dr. Sharareh Eskandarieh,

Thank you for submitting your abstract to the Sixth MENACTRIMS Congress taking place from December 10-11, 2021.

The scientific committee is pleased to inform you that your submitted abstract with online submission code A-1021 titled Prevalence of MS in Tehran, Iran in 2020 and Its Forecast for the Next 10 Years in the category chosen of Epidemiology of MS has been **officially accepted as an ePoster**.

Designing Your ePosters:

Please use the official template of the ePoster and download it <https://bit.ly/DownloadePoster>

ePosters Submissions:

Please reply to this email science@medgress.com with your designed poster

Deadline:

- The deadline for submitting your ePoster is December 03, 2021 at 23:59 (Dubai Time + 4GMT)
- In the case you are unable to deliver the designed ePoster we will only place the abstract submitted online as text and not your ePoster

Note: ePosters are not Poster Presentations. There is no dedicated time slot to present your poster. Your abstract's ePoster page is static and available for access for all virtual delegates. A button that states "Contact Author" will be available that will be linked to create an email to your email address in the case of any questions by virtual delegates

Young Investigator Award:

MENACTRIMS and ECF are collaborating to support the contribution of Young Investigators from Middle East North Africa.

Eligibility Criteria:

Academic merit of investigators born after 1986. Kindly reply to this email with your date of birth for enrolling as a candidate. The final selection will be the sole decision of the MENACTRIMS and ECF committee.

Congratulations once again and looking forward to receiving your confirmation.

Sincerely,

Congress Abstracts Secretariat
Sixth MENACTRIMS
