The USERN Congress & USERN Prize Awarding Festival

November 8-10, 2019

Budapest, Hungary

Dear **Dr.Elham Rayzan**,

We are delighted to inform you that your abstract, entitled **“Twins with Novel X-linked variant in IL2RG Gene Suspected to Early Onset Inflammatory Bowel Disease”** has been accepted for **Oral presentation** at 4th USERN Congress 2019, taking place in Budapest, Hungary, on 8-10 November 2019.

Poster Walks: A selection of a few abstracts will be featured in several Guided Poster Walks during coffee breaks and early morning. Each Guided Poster Walk will have a specific theme. Authors of selected Posters we will be contacted in due course with more information.

Junior Talks: A selected number of abstracts are accepted as the junior talks, which will be held in the conference rooms 1-6 at 14-16, Nov. 9th. Each conference room will have specific theme.

We are also pleased to inform you that your registration has been confirmed. This includes attendance in all scientific sections of congress, as well as Welcome reception and Gala dinner.

More details about your presentation could be find via <http://userncongress.com>.

Looking forward to welcoming you in Budapest.

Yours Sincerely,

Nima Rezaei, MD, PhD
Founding President of USERN
