

To whom it may concern,

I hereby certify that **Dr. Elham Rayzan** has attended the 4th USERN Congress which was held on 8th – 10th November 2019 at Budapest, Hungary. It is noteworthy that she has presented her abstract entitled ‘**Twins with Novel X-linked variant in IL2RG Gene Suspected to Early Onset Inflammatory Bowel Disease**’ as an **Oral Presentation** in the junior talk section of the congress.

Sincerely yours,

Dr. Nima Rezaei, MD, PhD

Clinical Immunologist

Deputy President of Research Center for Immunodeficiencies

Children’s Me

dical Center Hospital

Tehran University of Medical Sciences

Tehran 14194, Iran
