

Dear Shahram TEIMOURIAN,

Thank you for having submitted an abstract for Joint Conference of HGM 2013 and 21st International Congress of Genetics to be held at The Sands Expo and Convention Centre, Marina Bay Sands in Singapore this April.

On behalf of the Abstract Review Committee, we are pleased to inform you that the following abstract has been accepted for POSTER presentation:

Submission Number: **HGM2013-ICG-1069**

Abstract Topic Name: **Genetics of Immune & Autoimmune Disorders**

Titled: **CHARACTERIZATION OF NOVEL BTK MUTATION IN AN IRANIAN PATIENT PRESENTING VACCINE-ASSOCIATED PARALYTIC POLIOMYELITIS**

The exact timing of your presentation will be announced by 28 February 2013. If you have opted for Oral presentation, you will be notified of the results via email by 28 February 2013.

Please be reminded that the presenting author needs to register and to pay the indicated registration fee to be able to attend the Congress and present the abstract if you have not done so. We are extending the Saver Rates to all presenting authors till **28 Feb 2013**. To pay the registration fee, please login using the same User ID and Password as your abstract submission and enter the promo code: **ABS2013** (case sensitive) at <http://www.hgm2013-icg.org/registration.html>. All travel grant awardees also will be notified via email by 28 February 2013.

For enquiries on registration, kindly contact hgm2013-icg.reg@mci-group.com or call +65-6411-6695.

The International Programme Committee has prepared a very attractive scientific and educational programme. We encourage delegates to use this conference as a meeting place to assemble their academic interest-groups for global deliberations. For more information on the Scientific Program, please visit www.hgm2013-icg.org/scientific_programme.html

In association with the Joint Conference, there will be a one-day workshop on "Working with ENCODE Data" to be held at The Sands Expo & Convention Centre on Tuesday 16th April 2013, 10am - 6pm. For details on the workshop programme and registration, please visit <http://www.sanger.ac.uk/resources/talksandtraining/opendoor/singapore.html>. If you have any queries about the workshop, please email: encode-odw@sanger.ac.uk

We look forward to seeing you in Singapore.

Thank you.
