

Dear Ahmad Reza Delpour,

We are happy to inform you on behalf of the International Scientific and Organising Committee that your abstract "Investigation the convulsive effect of levosimendan in PTZ-induced seizure threshold in mice: possible involvement of KATP/NO" has been accepted for a poster presentation at the 12<sup>th</sup> European Congress On Epileptology in Prague.

Please take note of the following details regarding the poster presentation:

**Poster Session: Late Breaking Abstracts 1**  
**Date and Time: Monday 12th September 13:00-14:30**

Posters will be on display for one day of the congress only. The presenter **Ahmad Reza Delpour** must be available to answer questions at their poster during the lunch period (13:00-14:30) on the day their poster is displayed.

In addition, guided tours of posters, led by experts in each topic, will be organised during the lunch period of the congress. Each poster presenter will have 5 minutes to present his/her work. Further information on the poster tours will be available within the coming weeks.

Please note that the poster boards are portrait in orientation and the maximum available dimensions of the poster board are 97cm wide x 180cm high.

No equipment for displaying video content will be provided by the organisers.

The poster presenter **Ahmad Reza Delpour** is kindly asked to set up the poster between 09:00 and 10:00 on their assigned day. Materials will be provided for affixing posters to the poster boards. Posters must be removed between 17:00 and 18:00. Please note that the 12<sup>th</sup> ECE does not take responsibility for unclaimed posters.

We recommend that you read the poster presentation guidelines that are available on the Congress website here.

As a presenter of a late breaking abstract, you are entitled to register for the congress at the Early Registration rate.

Please register for the congress by contacting [registration@epilepsycongress.org](mailto:registration@epilepsycongress.org) and indicating whether or not you are a member of an ILAE or IBE Chapter.

If for any reason you cannot attend the Congress, you must notify us at [abstracts@epilepsycongress.org](mailto:abstracts@epilepsycongress.org). Failure to do so may result in any future abstracts not being considered for ECE Congress.

We look forward to welcoming you to Prague. If you have any further queries please do not hesitate to contact us at [abstracts@epilepsycongress.org](mailto:abstracts@epilepsycongress.org).

With many thanks and best regards,

**Meir Blaler**

**Milan Brázdil**
