Dear Mamak Tahmasebi,

Thank you for submitting an abstract to the 14<sup>th</sup> World Congress of the European Association for Palliative Care in Copenhagen, Denmark on 8-10 May 2015.

We received more than 1230 abstracts from across the globe, with a high standard. Competition was therefore very strong. All abstracts were independently reviewed and scored by three different experts in the field, blinded to the submitting author(s) and institution. The Scientific Committee reviewed the abstracts and scores, and selected those for inclusion in the congress programme.

We are pleased to inform you that your abstract abstract **A-688-0011-01486** entitled
