**Greetings from Scientific Federation!**

Scientific Federation cordially invites you to attend the “**2<sup>nd</sup> Global Summit and Expo on Dental & Oral Diseases**” is going to be held during March 27-29, 2017 at Kuala Lumpur, Malaysia. We welcome you to join us and share your knowledge and views on the theme “**Advance Technology to overcome Future challenges in Dentistry and Oral Care**”. We are pleased to invite you being as an invited speaker to deliver an Oral presentation. In this regard, on behalf of the Organizing Committee, we are welcoming you to join us and give a talk under the **Track: Preventive dentistry**

Dental and Oral Diseases-2017 is a scientific congregation which brings together researchers, scientists, key decision makers, industry professionals in the same physical space for a brief yet intense period of discussion, collaboration, and addressing related problems in research.

We believe this conference will be a highly rewarding educational and networking experience for all. Additionally, we encourage you to take this opportunity to explore the many facets of Kuala Lumpur and to experience the unique Malaysia culture.

We look forward to seeing you in Malaysia
