Date : 20/01/2014
Abstr. no. : **593**
Concerns : **Pharmaceutical Sciences World Congress 2014**

Abstract : Impacts of Opioid addiction on male reproductive system; a randomized Controlled Trials (RCT) on 40 Rats

Dear Ms Bakhtiarian,

We have the pleasure of informing you that the above abstract has been accepted for POSTER presentation during the 5th FIP Pharmaceutical Sciences World Congress 2014, which will be held in Melbourne, Australia, from 13 - 16 April, 2014. Please read the instructions below.

Congress registration required

Abstracts can only be presented and will only be published if the presenting author has registered and paid for the Congress before 15 January 2014. To register please visit the website:
<http://www.fip.org/pswc2014/Melbourne/2001/Registration/>

Guidelines for poster presenters

In due time the Guidelines for Poster Presenters (including the size of the poster board) will be published on the website <http://www.fip.org/pswc2014/Melbourne/2026/Abstracts/>

More detailed information

The following information will be sent by e-mail and published on the congress website in due time:

- Your poster board number
- Your day(s) of presentation
- Time slots for hanging up and taking down your poster

On behalf of the Organizing Committee,

Kind regards,
Sophie Hamburger
