International Traffic Medicine Association

23rd World Congress

May 19th – 22nd in Hamburg

Dear colleague Motevalian,

this is our feedback concerning your submitted abstract:

The title

“Socioeconomic inequality in road traffic injuries in Tehran ”

has been accepted as oral presentation.

Now you have to registrate at once as participant. It is prerequisite that you registrate definitely and pay the congress fee before we put your title into the program and print the abstract in the journal BLUTALKOHOL / ALCOHOL, DRUGS AND BEHAVIOUR.

With kind regards

Looking forward to meet you in Hamburg

Sincerely

Paul Brieler/ Klaus Püschel
