# Apply to TUMS

---

Tehran University of Medical Sciences (TUMS) hopes to attract a diverse student community. If you're serious about academics, we want to hear from you. Here's how to get started:

- **Read our admissions guidelines** <http://gsia.tums.ac.ir/page-2290.htm>
- **Create your account** <http://gsia.tums.ac.ir/sign-in.htm?RedirectUrl>
- **Complete your application**

All fields indicated with \* are required and must be completed.

The interim code assigned to you will be the code to follow-up your application with and is the code we use to find your records, please indicate your code in all your communications with us.

## 1-Personal Information

This page asks for your detailed personal information.

Your name should be written exactly as it appears in English on your official documents such as Passport, Student Id, Driver License, etc

Please use the correct format, as indicated in the form, when writing your Date of Birth.

## 2-Contact Information

Please complete the required fields in this section.

Please write your name as it appears on your official government issued identification card or passport.

Please indicate your country code and your city code when writing your phone number.

Please use the correct format, as indicated in the form, when writing your telephone number.

## 3-Level and Program of Interest

Each applicant is able to choose 2 majors to study at TUMS.

First please indicate the level of study you are interested in

**Undergraduate:** An undergraduate applicant or a first-level university student is a student working toward a Bachelor (B.Sc.), M.D., D.D.S., or Pharm. D. degree.

**Graduate:** A graduate applicant is a student who has already completed and obtained the first-level university study and wishes to pursue his or her education.

beyond the first-level university study.

**Ph.D.:** A Ph.D. applicant is a student who has completed graduate level and wishes to pursue their studies behind this level. Most applicants at this level have a research proposal and work with specific professors on their research.

**Post Doctoral:** Post Doctoral candidates are students who have completed their Ph.D. and would like to work more specifically on a subject.

**Specialization:** An applicant in this level holds a Ph.D. and will work specifically to specialize in a subject, usually at one of our hospitals.

After choosing your level of study, you will choose the School and the degree you are interested in.

You will have the option of indicating first and second choice. Please choose from the drop down boxes available to you
