

MEMORANDUM OF UNDERSTANDING

between

Azerbaijan Medical University (AMU); Baku, Azerbaijan

and

Tehran University of Medical Sciences (TUMS); Tehran, Iran

*Azerbaijan Medical University (AMU) and Tehran University of Medical Sciences (TUMS),
hereby agree upon the following terms and conditions as set forth
in this Memorandum of Understanding on June 7, 2015.*

PURPOSE

The aim of this Memorandum of Understanding is to establish and expand academic cooperation between AMU and TUMS.

AREAS OF COOPERATION

A. Joint Degree Programs

Training Courses are established by the two parties and certifications are issued and verified by both parties.

B. Exchange of Students

Both parties shall make reasonable efforts to support development of an exchange of undergraduate and graduate students for short-term, long-term studies and formal degree programs. Exchange students shall be subject to the admissions criteria and requirements of the host institution. The details of the institutional and student rights and responsibilities for such exchanges shall be set forth in writing and agreed upon by both parties before a particular exchange is initiated.

C. Exchange of Academic Staff

Both parties shall make reasonable efforts to facilitate researchers or faculty visits to one another's campuses for research and teaching periods of time in accordance with this agreement objectives. The details concerning institutional and individual responsibilities involved in such researcher or faculty exchanges shall be set forth in writing and agreed upon by both parties before a particular visit is to be initiated.

D. Exchange of Scientific, Educational and Scholarly Materials

Both parties shall seek agreement upon a list of their respective scientific, educational and scholarly materials to be exchanged. To a practicable extent, Tehran University of Medical Sciences and Azerbaijan Medical University shall set forth in writing their mutually agreed upon protocols and guidelines governing this information exchange and distribution.

E. Exchange of Information

The two parties will provide information on substantive educational and research programs, conferences, seminars on topics of mutual interest, and will encourage and strengthen communication and cooperation between members of the two institutions especially in the fields of mutual concerns and benefits.

N.A. Zeynalov

F. Special Projects

The parties shall make reasonable efforts to collaborate from time to time in the development of special projects, including joint research, training activities, organization of events such as seminar, workshops, congresses and conferences, aimed at furthering their academic objectives. The details concerning institutional and individual responsibilities necessary for accomplishing these special projects shall be set forth in writing and agreed upon by both parties before a particular project is to be initiated.

G. Faculty Members Visits

The two parties will make reasonable efforts to establish joint visiting programs between both institutions, which shall serve as a framework for further cooperation. Arrangement for such visits will be supported by both parties.

FUNDING OF COOPERATIVE PROJECTS AND RESEARCH PROGRAMS

Before any particular cooperative project or program is to be initiated, all financial details should be negotiated and agreed upon by both institutions.

PROGRAM PLANNING

In order to facilitate program planning, attempts shall be made to hold an annual meeting between representatives of the two institutions. The purpose of such meeting will be to develop partnerships and understanding of the needs and priorities of the two institutions and to establish a cooperative practical framework, for the forthcoming years.

TERMS OF AGREEMENT, VALUATION AND TERMINATION

The present Memorandum of Understanding becomes effective upon its execution by both parties and shall remain in effect for 5 (five) years from said date of execution, at which time the parties may negotiate to extend the agreement for a further term. This Memorandum of Understanding may be terminated by either party upon 60 (sixty) days written notice, and may be amended by mutual consent of the parties, formalized in written communications specifying the date which such amendments are to take effect.

COORDINATORS

Both parties will appoint a coordinator to facilitate the communication between them.
