

**Memorandum of Understanding for  
Academic Cooperation and Exchange between  
Tehran University of Medical Sciences  
and Erciyes University**

In recognition of their commitment to the advancement of learning through teaching and research, and to strengthening friendly relations between School of Persian Medicine, Tehran University of Medical Sciences (TUMS) and Faculty of Pharmacy, Erciyes University join in the following Memorandum of Understanding (MoU) on the promotion of educational and academic links between the two universities.

Both universities will make every reasonable effort to encourage direct contact and research cooperation between their faculty members and departments under the provisions of this MoU, and endeavor to cooperate in the fields with which both parties are concerned. Both universities agree on the following general forms of cooperation within spheres of mutual interests in the field of history of pharmacy and medicine:

1. Visit to the other institution by faculty members and researchers for conferences, seminars, lectures, and discussions;
2. Exchange of academic materials and academic publications;
3. Join research activities;
4. Creating opportunities for graduate and undergraduate students to take courses and to engage in internships, service learning and research at the other institution;
5. Publication of joint academic research.

This cooperation would be done by department of history of medicine in TUMS and Department of the History of Pharmacy and Ethics in Erciyes University.

Themes of joint research activities, the conditions for utilizing the results achieved, and arrangements for specific visits, exchanges, and other forms of cooperation shall be negotiated for each specific case.

Both universities understand that all financial arrangements shall be negotiated and will depend upon the availability of funds. Both universities will endeavor to obtain external funding to support collaborative efforts.

This MoU shall become effective when the signatories representing both institutions have affixed their signatures, and shall be effective for a term of **3 (three) years**.

This MoU may be revised with the mutual consent of both parties.
