

Memorandum of Understanding

Between

**The Ministry of Foreign Affairs and Trade of Hungary**

represented by his Excellency Mr. János Kovács

Ambassador Extraordinary and Plenipotentiary of Hungary in the Islamic Republic of Iran

Hereinafter referred to as "Hungarian Party",

and

**Tehran University of Medical Sciences**

represented by his Excellency Dr. Ali Jafarian

Chancellor of Tehran University of Medical Sciences

Hereinafter referred to as "Iranian Party",

Collectively referred to as "Parties",

- confirming the excellent and fruitful relations between their States,
- emphasizing the importance of the good relations between Hungarian and Iranian universities of medical sciences,
- wishing to further enhance the co-operation between Hungarian and Iranian scientific community in the field of medical sciences,

have agreed upon the following:

1. The Parties have agreed on erecting the bronze statue of Ignác Semmelweis, the Hungarian doctor and researcher, in the courtyard of the complex of Tehran University of Medical Sciences.
2. Upon the decision of the Government of Hungary, the statue has been presented by the Hungarian Party to the Iranian Party as a gift by the date of erection. By that date the ownership of the statue falls upon the Iranian Party.
3. The expenses related to the production, delivery and erection of the statue on the scene, shall be covered jointly by the Parties.
4. Emphasizing the significance of the above mentioned purpose, the statue has been inaugurated by H.E. Mr. Viktor Orbán, the Prime Minister of Hungary.

The present Memorandum of Understanding enters into force on the date of its signature and remains in force for an unlimited period of time.

Done in Tehran, on the 12th of April 2016, in two original copies, in the English language.

For the Ministry of Foreign Affairs and Trade of  
Hungary

Mr. János Kovács

Ambassador Extraordinary and Plenipotentiary

For Tehran University of Medical Sciences

Dr. Ali Jafarian

Chancellor
