OF
MEDICAL SCIENCES

Tehran University of Medical Sciences (TUMS) is pleased to assign

Professor Alena Skalova

as the TUMS Distinguished Visiting Professor at the School of Dentistry for three years starting June 2020.

Her valuably long-term experience in the field of Dentistry and her enthusiastic participation in TUMS educational and research programs will be a great asset to the field of Oral and Maxillofacial Pathology.

Her cooperation includes advising and supervising MSc / PhD theses and dissertations, conducting innovative research projects in the discipline of Oral and Maxillofacial Pathology, which leads to joint publications in peer-reviewed reputable journals, seeking external funding for research projects, holding mutual seminars and tutorials, and promoting other proposed academic and clinical areas.
