## Ten Principles

---

- **Robust and objective**
- **Internationally recognised**
- **Comparability across disciplines**
- **Not disincentivise interdisciplinary and multidisciplinary research**
- **Research relevant**
- **Repeatable and verifiable**
- **Time-bound**
- **Transparent**
- **Behavioural**
- **Adaptable**

**Macquarie University**

- Australia's first and only private, not-for-profit hospital on a university campus
- a campus in one of the largest business and technology precincts in the southern hemisphere, creating a hub of innovation and excellence
- a 126-hectare park-like campus protected by our award-winning sustainability practices
- awarded five stars in the prestigious QS Stars rating system for high performance in areas such as teaching, research, graduate employability and facilities

<b>Degrees awarded</b>	<b>Student enrolments</b>	<b>Staff</b>	<b>Alumni</b>
Undergraduate Total - 5118	Full-time students - 27,795	Academic staff - 1525	<b>Total - 164,000</b>
Postgraduate Total - 4163	Part-time students - 12,414	Professional staff - 1674	
<b>Total - 9281</b>	Domestic students - 31,568	<b>Total - 3199</b>	
	International students - 8,641		
	<b>Total students - 40,209</b>		

## Research rankings and publications

- 100 per cent of our research activity is regarded by the Australian Government as being of world standard or higher
- a world leader in environmental sciences, physical sciences, and agricultural and veterinary sciences (rating 5 out of 5 in the 2015 Federal Government's Excellence in Research for Australia initiative)
- 135 Macquarie researchers are ranked in the top one per cent of researchers in the world
- sixth in Australia for international research publication collaborations

# International research training partnerships

MACQUARIE  
University

290 CANDIDATES AT 110 UNIVERSITIES IN 30 COUNTRIES\*

\* Since 1999

# Cotutelle & Joint PhD

Cotutelle	Joint PhD
Joint enrolment at MQ and an overseas university	Joint enrolment at MQ and an overseas university
Priority institutional partners – but open to all universities subject to approval	Institutional partners require Academic Senate Approval
Institutional memorandum of understanding (MOU) not compulsory	Institutional MOU/agreement required
Separate progress assessments	One university is designated as the lead
Single thesis submitted to both universities	Single thesis submitted to the lead university
Separate Examination	Joint examination
Two testamurs	One joint testamur
Two graduation ceremonies	One graduation ceremony

# Why do we do it?

Establishing deep and continuing relationships

<b>Institutions</b>	<b>Candidate</b>
Deepens and strengthens research collaborations and networks at an institutional level	Exposure to different academic environments through joint enrolment and supervision
Fosters a higher level of cooperation between researchers in their respective fields through co-supervision	Training experiences and access to the latest research equipment and technologies at two institutions
Provides access to new funding schemes as well as new international enrolments	International networking opportunities that will expand future employment opportunities through exposure to new academic institutions and new industries
Provides an opportunity to increase joint publications, citation rate and rankings	Access to new funding schemes
Make the institution more attractive to potential candidates	Experience a new culture and environment and develop soft skills

## MQ-FU-HAM Trilateral Strategic Partnership

Foto: UHH/ Fudan University/ Macquarie University

The German Academic Exchange Service (DAAD) with the support and funding from the German Federal Ministry for Education and Research (BMBF) has in 2012 launched the "Strategic Partnerships and Thematic Networks" program, which encourages more intensive partnerships at the university level, in contrast to a department-level managed partnership.
