SIMORGH
INTERNATIONAL
FESTIVAL

Simorgh Festival is an international short film, documentary film, animation and poster festival organized by the Iran Ministry of Health and Medical Education. The Festival is run by Cultural and Student Department, with the support of various companies, organizations and individuals who endorse Simorgh's objectives.

The festival focuses on “**Culture of Health**” with the aim of collating and screening high-quality short film, documentary film, animation and poster works of superior originality, provide excitement and inspiration to the audience as well as creators, cultivate new talent, and contribute to the development and promotion of culture of health and related industry.

Our 2020 Call for Entries is due open on 10th August, 2020. Please submit your short film, animation and poster online to be in with a chance of screening at the Iran's leading animation, short film and poster festival.
