

Dear Zahra Alizadeh,

On behalf of the International Union of Immunological Societies, thank you for submitting your abstract for the 18th IUIS International Congress of Immunology, to be held in Cape Town, South Africa, from 27 November - 2 December 2023.

The abstracts submitted for consideration have been reviewed and the IUIS Program Committee has completed the selection process. We are pleased to inform you that the following abstract(s) has/have been **accepted**.

---

**Title: Clinical, Immunological, and Genetic Features of 11 Patients with Chronic Mucocutaneous Candidiasis**

Abstract number: 1471

Presentation type: Poster

Abstract status: Accept

---

All abstract presenters are required to [register](#) no later than **16 October** in order to be included in the programme. If you have not yet registered, you can benefit from the Early Registration fee until **30 August**. Specific guidelines and the final allocation of your presentation in the programme will be sent to you after your registration.

If you have applied for a travel grant, you will be notified on the outcome of your application by the end of July. Travel grants are limited so we encourage all those that applied to continue to pursue alternative funding sources.

Should you wish to withdraw your abstract or inform us of a presenter change, please contact us at [Abstracts@iuis2023.org](mailto:Abstracts@iuis2023.org)

Late Breaking abstract submission will open on **30 August 2023 until 14 September 2023**. More information can be found at [iuis2023.org](http://iuis2023.org)

We look forward to your contribution to our programme!

Sincerely,

**Miriam Merad**, *M.D.; Ph.D.*

IUIS President and Co-Chair of  
the Scientific Committee

**Clive Gray**, *Ph.D.*

Congress President

**Mark Davis**, *Ph.D.*

Chair of the Scientific  
Committee

**Faith Osier**, *M.D.; Ph.D.*

IUIS Past President
