EADV Congress, Berlin- Germany 11-14 October 2023

Official Invitation as Speaker

Dear Dr. Hamidreza Mahmoudi,

On behalf of Prof. Michel Gilliet, current EADV Scientific Programming Chair, and the committee members, we cordially invite you to participate in the EADV Congress in Berlin, Germany as a speaker in the below "Focus on" session.

You can accept or reject the invitation at the following link: "[Link to your invitations](#)"

Lecture Title: „Skleromyxedema - treatment options and comorbidities“

Session: Focus on Sclerotic skin diseases

Session Time: Thursday 12, October 2023, 08:30 - 10:00 (CEST)

Lecture Time: 09:10 - 09:30 (CEST)

Room: Hall B

Session type: "Focus on "

This session aims at providing a comprehensive in-depth coverage of a certain topic in dermatology.

Your talk will be included in sessions on pathophysiology/epidemiology, clinical challenges, or practical aspects of disease management and should provide the latest cutting-edge information.

We kindly ask you to confirm or decline our invitation no later than **Friday 24th March 2023**

We are pleased to inform you that we will organise your registration free of charge. Please **do not register online**.

In addition, we remind you that your travel and accommodation costs are **not covered** by the EADV.

For any further questions please contact Thomas Cavadini at: thomas.cavadini@eadv.org

Kind regards,

Thomas Cavadini
